

# Do hormones affect the comfort of your eyes ?

HREA approval no # HC14350

Invitation to participate in an online survey that investigates fluctuations in ocular dryness and discomfort symptoms over the course of a menstrual cycle

You are suitable to participate in this survey if you

- Are female
- Are aged 18-45
- Have a normal menstrual cycle (naturally, or as a result of being on the oral contraceptive pill)

All you need to do is:

- ✓ Complete a short 45 seconds online survey
- ✓ Eachday for 40 days

If you wish to participate in this quick online survey, contact Archana Boga on [a.boga@unsw.edu.au](mailto:a.boga@unsw.edu.au), or 0469053398 for any information
