Never Stand Still

UNSW Science

# Do you wear disposable contact lenses? Would you like to try a new cleaning & disinfecting solution for 3 months?

The School of Optometry and Vision Science at the University of New South Wales is seeking 40 soft contact lens wearers, to trial a new cleaning and disinfecting solution, which is approved in Japan.

There will be 3 visits over a 3 month period and you will be compensated \$20 per visit for travel costs.

**Inclusion criteria:** At least 18 years of age; willing to wear lenses during the day (no overnight wear) for minimum 4 days/week on average; willing to use the study contact lens cleaning and disinfecting solution for 3 months.

**Exclusion criteria:** Daily disposable or gas permeable lens wearer; iodine sensitivity/allergy; any known reasons why contact lenses can't be safely worn; eye surgery 12 weeks prior to study start; current enrolment in another clinical trial; pregnant.

HREC Approval No. HC14270

Study No. 2014-010. Version 2.0 dated 3<sup>rd</sup> November 2014
